**TO WHOM IT MAY CONCERN**

The Clareville Lions Club, in cooperation with the town, will be holding the annual Santa Claus Parade on Saturday, December 6<sup>th</sup>, 2014.

The purpose of this letter is to encourage your business/organization to get involved by entering a float. The success of this parade will be determined by the contribution that you make. The Lions Club can only give you the opportunity, but you must make the effort. Last year, we had the most successful parade in recent years because of the effort put into it by the business community. We thank everyone who was involved and encourage them and others to make this year's parade the best yet. If for some reason you cannot enter a float in the parade, but would like to make a contribution, a cash or in kind donation would be appreciated.

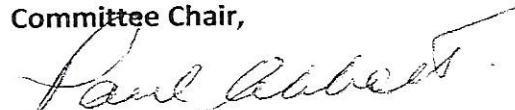

The parade will start at 10 AM after forming, as in previous years, on Cormack Drive. It will then proceed on Memorial Drive to Shoal Harbour making several stops along the way. At the intersection in Shoal Harbour the parade will make a left turn and proceed towards Shoal Harbour Drive. The parade will end at the bridge across Shoal Harbour River and disperse as it goes up the hill. As in last year's parade, an attempt will be made to control traffic and we will have to block the traffic in some areas for a short period of time.
